NordPass — your digital life manager

Organize online life with NordPass — a secure solution for passwords, passkeys, credit cards, and more.

- ✓ Generate strong passwords.
- ✓ Securely share passwords with co-workers.
- ✓ Find out if your data has been breached.

Full-featured password security

Manage passwords and passkeys hassle-free

Save passwords with a click

NordPass prompts you to save your passwords every time you log in to a new website or create a new online account and remembers them for later use.

Log in automatically

Want to log in to your favorite accounts? No need to enter your login credentials – NordPass does it for you.

Easily import your passwords

NordPass automatically detects passwords stored in your browsers. Import them instantly or upload a CSV file.

Access passwords from a browser

Add the NordPass browser extension to enable the autosave and autofill features. The extension is available on Google Chrome, Mozilla Firefox, Edge, Chrome, Opera, and Safari.

Sync passwords across all your devices

NordPass automatically syncs your passwords across computers, tablets, or phones. The NordPass app is currently available on Windows, macOS, Linux, Android, and iOS.

Web Vault Access

The NordPass Web Vault offers most of the features and functionalities available on our desktop app – you don't have to install the application on your device.
